ARCHITECTURAL DESIGN

DP ARCHITECTS

DP Architects Pte Ltd is an architectural practice based in Singapore. It was started as Design Partnership in 1967 and was incorporated as a private limited company in 1993. It is a multi-disciplinary design consultancy and one of the largest architectural practices in the world. It has global studios around the world including Singapore, China, India, Indonesia, Malaysia, Thailand, Turkey, UAE, and UK. DP Architects have professional experiences to design retail, hotel, resort, commercial office, residential, convention centre, technology parks, medical, religious, educational, and civic institutions, and airport and aviation-related support facilities. Driven by a strong philosophy devoted to human activity and civic quality of the city, DP Architects approach each project as the continuation of an ongoing exploration in shaping the public domain. In the pursuit to improve the lives of people in cities, DP Architects explore design techniques that inject new vitality into the city's fabric. DP Architects' projects serve as regional focal points, hubs of human activity and social space.

LOCAL ARCHITECT

PT ANGGARA ARCHITEAM

PT ANGGARA ARCHITEAM strives to conceive architectural styles that express the fresh, growing Asian cities where international movement and vernacular styles are interwoven.

Our building designs display a vibrant, cohesive image of modernism and technology in perfect balance. However, we perform more than just building. We have the experience and the knowledge to deliver well-designed sites, which meet its functional requirements, to a variety of clients. We attach importance to long-lasting, meaningful relationships that will help companies manage their real estate portfolios.

INTERIOR DESIGN

PT GENIUS LOCI (ASIA)

Residential and Public Facilities

Alex Bayusaputro is a founder and Managing Partner of Genius Loci. Company that has expanded to 6 Cities and Four Country in span of 18 years of operation.

He has honed his expertise in F&B and hospitality as well as Retails since graduating from F.I.T. and Parsons School of Design in New York City 1992 before moving to Singapore in 1997.

As demonstrated by his recent portfolio, which includes Gandaria and Kota Kasablanka Shopping Mall and Hotel in Jakarta together with On Going Project in Surabaya Tunjungan Plaza and Super-mall Phase 2, Alex is skilled in developing new concept and utilising unknown spaces within mall.

With over 30 years of experience in the field of interior and architecture. The Firm has won numerous award and recognition regional and International, One of them from Designetal Design & Architecture in London and Two from Design Excellence Award and Government SME Award in Singapore. Two awards from A'Design Award in Lake Como Italy in 2017, Last Year in 2018, two of the firm project are nominated for WAF/ INSIDE award in Amsterdam.

OPEN AIR STUDIO

Commercial area (Retail)

Open Air Studio is an interior design firm based in Bangkok. It creates timeless and elegant architectural environments employing high quality materials and fine craftsmanship.

The design philosophy is to create an optimal relationship between objects and space. OpenAir, managed by Wit Chong, approaches each project considering its own spatial needs, and construct a sculptural experience through it. Each work reveals a specific connection to the room, and its occupant.
